RE: Masonic Lodge Rules

Sisters and Brothers,

Yesterday, I had a conversation with a representative of the Most Worshipful Grand Master, concerning the Covid-19 issues and restrictions. The Grand Master has instructed all Lodges to follow the CDC Guidelines and charged all Worshipful Masters with the task of keeping members and visitors of their Lodge safe. Most Eastern Star Chapters in Texas meet in a Masonic Lodge or at an appendant body's facility, therefore, as we are meeting in "their house" we must follow the rules and regulations established for the use of their building. It is my wish that the Grand Chapter of Texas, Order of the Eastern Star, and the Most Worshipful Grand Lodge of Texas A.F. & A.M. continue to have a cordial and supportive relationship.

I, Linda R. Winn-Christenson, Worthy Grand Matron, direct all Eastern Star Chapters in Texas who meet in a Masonic Lodge or Appendant Body facility, to comply when meeting, with the instructions of the Most Worshipful Grand Master, to follow all CDC Covid-19 guidelines and any rules established by a Worshipful Master, for the health and safety of members and visitors.

I also wish to take this opportunity to thank all Master Masons who are Eastern Star members for their support and their decision to be a part of Eastern Star. As the wife of a Master Mason it has been my privilege to spend time with numerous Masons in Chapter and at Masonic social events. I greatly respect these men and I am proud to call many of them my Brother.

Sincerely,
Linda Rose Winn-Christenson
